GETTING STARTED WITH MIST

MIST Carolina

My Mist Registration Guide

Assalaam Alaikum! Welcome to Mist Carolina 2024 Registration guide. This provides a step-by-step overview from Creating your MyMIST account to registering for MIST Carolina 2024. <u>mistcarolina.com/rulebook</u>

Please read the following information before registering.

- Your MIST team must be open to all who are interested in joining from your school, Muslim or otherwise.
- Your team should not include anyone from outside of your school.
- Advertise MIST throughout your MSA and try to get as many members from your school to join your MIST team.
- Allow each student to go through the Category Overview and individual rules (found at https://www.mistcarolina.com) for each competitive event in order to choose which events to compete in
- Make sure each student knows that they may sign up for only one competitive event from each of the five Categories. This means each student has the option of signing up for one Art competition, one Writing & Oratory competition, one Knowledge & Qur'an competition, one Bracket competition, and one Group Project competition.
- No more than two (2) students per school may sign up for each of the competitive events with the exception of the group competitions, MIST Bowl, Improv, and Basketball.
- The Signature Page should be printed out for each team member. Get each applicant to sign their form first. Gather the documents after having your team's coach sign each one. Return the paperwork to the applicants so they may get their guardian or parent to sign them. Remind applicants to give their parents their coach's contact information. Gather all of the completed forms and give them to your coach so that they can view the signatures and confirm which pupils they will be in charge of at MIST. Then, prior to the deadline for late registration, these forms must be submitted to your regional headquarters. If their signature page is not provided, applicants are at risk of being disqualified.
- After each student knows which competitions(s) they will be competing in and have also completed their signature page, their information must be entered on the online registration application.
- Each student must complete their signature page and know which contests they will be participating in before entering their information on the online registration form

- Once a coach has approved the team registration application and it has been formally filed online, students are under no circumstances permitted to change their minds. If the student opts to forego the competition they initially signed up for, their team will score a zero for that event, which will have an impact on the Team Average. Make sure kids sign up for events in which they will compete.
- Identify the deadline by which each team member was expected to have completed their online registration for each competition and paid the registration fee. The Registrar cannot submit the team registration for a coach's approval until each member of the team has registered and paid.
- After the late registration deadline, students cannot register. The ability to register online will expire.
- A Confirmation Letter including all the student's registration details and the contests they have registered for will be sent by MIST to each coach and registrar a few weeks prior to the competition. In the event that a mistake has been made, the competitor, coach, or registrar must email MIST right away.
- Once the tournament has begun, no excuses will be tolerated. We send out the letters as a way for you to certify that you've signed up for the contests mentioned in the letter. After we've issued the confirmation letters, if we don't hear from you regarding your registration, we'll presume that you and your team have no errors to report.
- Access our rulebook: <u>https://www.mistcarolina.com/rulebook</u>

WHAT IS YOUR ROLE?

The registration procedure will vary depending on a person's position on the squad. Coach, Registrar, and Competitor are the three positions. Below is a description of each role:

Coach: Each team is permitted one coach free of registration fees, who must be at least 21 years old and act as the team's chaperone throughout the competition.

Captain/ Ambassador: Each team requires a registrar. He or She is a competitor on the team, coach of the squad, or any parent connected to the team. The register ensures that contestants register on time and are registered for the appropriate contests. can plan and alter the contests that the team's members have registered for.

Competitor: A competitor is any team member who has signed up for a competition.

ONLINE REGISTRATION PROCESS STEP BY STEP Creating your first time user account.
